6 IN THE UNITED STATES DISTRICT COURT  
7 FOR THE DISTRICT OF ARIZONA  
8

9  
10 Jonathon G. Sperberg, II,  
11 Petitioner,

12 vs.

13 Charles L. Ryan, et al.,  
14 Respondents.  
15

No. CV-11-00443-PHX-PGR (JFM)

ORDER

16 Having reviewed *de novo* the Report and Recommendation of Magistrate  
17 Judge Metcalf in light of the petitioner's objection (Doc. 38) and amended objection  
18 (Doc. 41) to the Report and Recommendation, the Court finds that the objections  
19 should be overruled and that the petitioner's habeas petition, filed pursuant to 28  
20 U.S.C. § 2254, should be denied.<sup>1</sup>  
21

22 1

23 The Court notes that it has also reviewed the information provided by the  
24 petitioner in his Motion to Enter Newly Discovered Information, as well Two New  
25 Exhibits for Court[']s Review Before Final Judgment on Petitioner's Writ of Federal  
26 Habeas Corpus (Doc. 43). While the Court will grant the motion, the information  
provided therein does not persuade the Court that the Magistrate Judge erred in the  
conclusions he reached in his Report and Recommendation.

To the extent that the petitioner's Notice of Breif [sic] of Possible Tainted  
or Corrupted Case (Doc. 47) is intended as a motion seeking the Court to order an  
investigation be made of the petitioner's allegations, it is denied.

1 First, the Court agrees with the Magistrate Judge that the petitioner's claims  
2 set forth in Ground 2 (Ineffective Assistance) and Ground 3 (Disparate Sentencing)  
3 must be dismissed with prejudice as time-barred because they were filed years after  
4 the expiration of the AEDPA's one-year limitations period, see 28 U.S.C. § 2244, and  
5 the petitioner has not established the existence of either statutory or equitable tolling  
6 sufficient to make the claims timely filed.

7 Second, the Court also agrees with the Magistrate Judge that the petitioner's  
8 other two claims, Ground 1 (Self Representation) and Ground 4 (Due Process on  
9 Review), while timely filed, must be dismissed with prejudice because those claims  
10 were not fairly presented to the state courts and are now procedurally defaulted and  
11 the petitioner has not established any legally-acceptable cause for his failure to  
12 properly raise those claims in state court, nor has he demonstrated that a  
13 miscarriage of justice would result if those issues are not addressed on their merits.  
14 Therefore,

15 IT IS ORDERED that the petitioner's Motion to Enter Newly Discovered  
16 Information, as well Two New Exhibits for Court['s] Review Before Final Judgment  
17 on Petitioner's Writ of Federal Habeas Corpus (Doc. 43) is granted.

18 IT IS FURTHER ORDERED that the Magistrate Judge's Report and  
19 Recommendation (Doc. 37) is accepted and adopted by the Court.

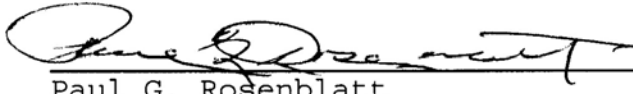

20 IT IS FURTHER ORDERED that the petitioner's Petition Under 28 U.S.C  
21 § 2254 for a Writ of Habeas Corpus by a Person in State Custody is denied and that  
22 this action is dismissed with prejudice.

23 IT IS FURTHER ORDERED that no certificate of appealability shall issue and  
24 that the petitioner is denied leave to appeal *in forma pauperis* because the dismissal  
25 of the petitioner's habeas petition is justified by a plain procedural bar and jurists of  
26

1 reason would not find the procedural ruling debatable.

2 IT IS FURTHER ORDERED that the Clerk of the Court shall enter judgment  
3 accordingly.

4 DATED this 25<sup>th</sup> day of March, 2013.
